

IUOE 428 January 2017 Ad Text: New Year's Resolutions

The New Year is here, and many people create New Year's Resolutions. These resolutions vary from an increase in exercise to a healthier diet to saving money. If you are creating a resolution for 2017, this is a great time to think about your finances, and OE Federal can help.

Two services we offer are our OnTrack-Personal Finance tool and BALANCE, our financial fitness partner. OnTrack allows members to aggregate accounts from multiple financial institutions, track spending, create alerts, and savings goals. This is a powerful tool where members can see exactly where their money is being spent. To access OnTrack, simply log in to Online Banking through your desktop computer, or use your smartphone/tablet through our mobile app.

BALANCE is a more guided approach where you can speak to a trained financial counselor. These services are free and confidential, allowing you to have your very own financial advocate. Counselors can assist you with creating savings goals, budgets, a path for home ownership, and more. To learn more about BALANCE and their services visit us online at oefcu.balancepro.org or give them a call at (888) 456-2227.

At OE Federal Credit Union, we are committed to helping our members succeed in their financial goals. We offer a wide array of products and services that can assist you in your finances. To learn more about how we can help, contact us today visiting us online at oefcu.org, your local branch, or give us a call at (800) 877-4444. Happy New Year!

The above communication is intended for general informational purposes.
